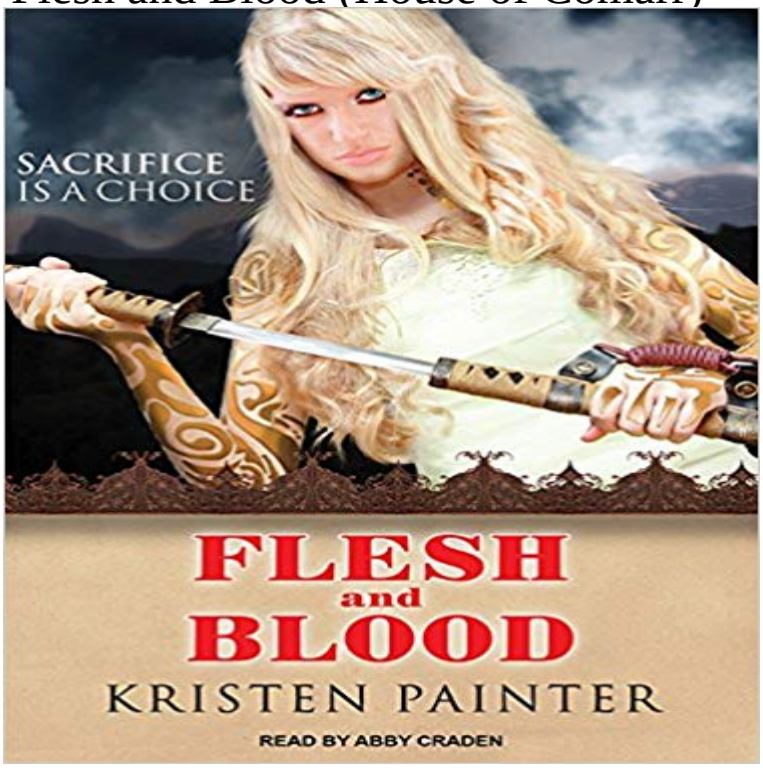
Flesh and Blood (House of Comarr)



With the ring of sorrows still missing, and the covenant between othernaturals and mortals broken, Chrysabelle and Malkolms problems are just beginning. Chrysabelle still owes Malkolm for his help, but fulfilling that debt means returning to Corvinestri, the hidden vampire city neither of them is welcome in.The discovery that Chrysabelle has a brother could mean reneging on her promise to Malkolm, something that might make him angry enough to loose the beast living inside him. And fulfilling her vow could prove devastating for Chrysabelle-especially when you throw in power hungry witches, dead fringe vampires, and the Kubai Mata.
