Saving The World Boxed Set I: The Amazing Stories of The Greatest Superheroes Ever

Considered the most iconic superheroes of all time the three superheroes featured in this set has leapt from the comic book pages onto the television and of late, to the big screen as well. But wherever they may go, the question that is always left on the minds of those unfamiliar with his mythos is: Who are these Superheroes? The quick answer of many would be their alter-egos: Superman is Clark Kent, Batman is Bruce Wayne and Spiderman is Peter Parker. Correct, but those answers barely scratch the surface. There is a lot more to these amazing characters than the name of the men behind the masks. And this set will show you just how much you don't know about what makes these superheroes icons that span across generations. What's Inside? Included in this set are details on publication and character history, a discussion their powers and abilities, the costumes through the the character development, and their appearances in different mediums. It also includes a brief review of the top ten storylines of all times for each superhero that can help you start your own comic book collections.
