

## Super Z Formula, Book 2!: Never Walk In Anyones Shadow (Volume 2)

A freak lab accident while thwarting a thief has given twins Zak and Zakiya superhuman powers. Zak is a speedster, and Zakiya can move objects with her mind. But they found themselves powerless, as Madam Aspar Dame sought to control the minds of everyone in town. Would they be able to stop her, with Uncle Goodloves help? And what ever happened to Shadrack, who was also doused in the Super Z 108 Formula?
