

Chieftain

A MANS YEARNING FOR FREEDOM After seven years in the Tower of London, the infamous Highland Chieftain Drummond Macqueen saw his prison door swing open. A WOMANS DESPERATE GAMBLE At the death of her twin sister, Johanna Benison had begun a journey of no return. Now, the unexpected arrival of Drummond, the domineering Chieftain shed believed executed long ago, threatened her precious independence. But soon her fear gave way to a soul-deep longing for the lover who stormed her castle and claimed her heart. A PASSION NEITHER COULD DENY Through harmonious days and impassioned nights, Johanna and Drummond reveled in their happiness...until the vengeful King Edward II delivered an unholy ultimatum. Obeisance to his royal command could engender only disaster, setting a shattering price on a womans honor and the future of their love...
