

Je m'appelle Jerome Hillaire, Je suis guide professionnel, naturaliste, mais avant tout globe-trotter. Depuis une quinzaine d'annees, ma passion pour la nature m'a amene a explorer les endroits les plus recules de la planete. Durant mes voyages, j'ai tres souvent rencontre des touristes en mal d'informations. Ils ignoraient comment se rendre dans certains lieux magiques, ou observer des animaux legendaires comme le lion ou le leopard. Ils ne savaient pas non plus comment se preparer a sejourner dans des zones reculees. Vous trouverez ici des informations essentielles (cartes simplifiees, precieuses coordonnees GPS des sites les plus remarquables en termes de faune et de paysages, indispensables conseils de preparation et de securite...) afin d'organiser au mieux votre aventure, et, surtout, pour qu'elle devienne une experience inoubliable et reussie.
