

Jamaica Adventure Guide (Adventure Guides)

This travel guide walks with the adventurous traveler to the heart of Jamaica, to the miles of sand beaches, to the rugged Blue Mountains, to the country villages that provide a peek at the real Jamaica. The authors focus on the adventures this popular Caribbean island has to offer: scuba diving along coral reefs, biking mountain trails, deep sea fishing, parasailing, windsurfing, horseback riding, and other adventures that range from mild to wild. Special sections include a look at Jamaica's Meet the People program, home visits, local nightspots, festivals, and more. Maps and photos enliven the down-to-earth text. [The authors] are known for their attention to details. Chicago Daily Herald Print edition is 360 pages.
