

Mental Fight: An Anti-Spell for the 21st Century

A celebration of our achievements at the end of the 20th century, or a rallying cry for the next? An anthem to mark the end of an age, or a hymn for the future? The first two sections of Ben Okri's secular poem for the millennium appeared in *The Times* in January 1999. Now for the first time the full text of this extraordinarily tender and inspiring work is available.
