

William was born in Stratford-upon-Avon in late April 1565 and baptised there on 26th April. He was one of eight children. Little is known about his life but what is evident is the enormous contribution he has made to world literature. His writing was progressive, magnificent in scope and breathtaking in execution. His plays and sonnets helped enable the English language to speak with a voice unmatched by any other. William Shakespeare died on April 23rd 1616, survived by his wife and two daughters.
