

Ari, who comes from a loving family that has had more than its share of difficulties, is faced with the possibility of losing the love of her life. All she dreams of is growing old and having children with Jeff, but a family history and a conniving Rebecca could shatter that dream. Trying to support Jeff and cope with all the truths and possibilities of her own destiny may prove to be more than Ari can handle. Jeff's dream is to raise horses on his ranch in Mason with the only woman who has ever filled his heart and soul. But he's running the risk of losing her by trying to be the man he knows he should be. He's completely bewitched by the passionate and ever outspoken Ari, but needs to do right for the child that could possibly be his. Despite all the odds stacked against them, can their relationship be saved?
