

The Secrets of Serock

Princess Aryanna is in constant battle with her old-fashioned father King William, whose goal is to give his daughter the best life can offer. Unfortunately, the King does not realize Aryanna's dream is much different than what he desires. When the King stumbles over a concealed love affair between his daughter and a traitor's son, he dispatches her lover Edward to a war-ridden kingdom. Three years pass when a mysterious knight shows up at the gates of Serock. Aryanna befriends him merely for the sake of curiosity, but what she finds out about the knight allows the secrets to begin to unfold. The people in the Kingdom of Serock are certainly not who they appear to be.
