*** From The Author Of Moneymoons End & Time On The Wire Matt Seattle Never Saw The Trouble Coming. Never Expected It From So Many Different Directions. Matt Seattle, a Sarasota stockbroker, befriends an older stock enthusiast, Joe Jesso. During one of their weekly Wednesday morning sessions, Joe announces he's gotten married. A week later, Joe dies. Believing Joe may have been the victim of a black widow, Matt hires an investigator to look into Joe's death. The investigator finds old Joe wasn't so innocent; he embezzled money from a drug cartel. Suddenly, Matt finds himself battling Joe's widow and her shyster lawyer who want his money, The National Association of Security Dealers who wants his broker's license, and, oh yes, the cartel who wants his life. It's enough to turn any bull into a bear.
