

With its irresistible combination of form and function, wicker basketry has captivated artisans for hundreds of years. Use these timeless techniques to make elegant and practical baskets for modern use. Whether you are a beginner or experienced weaver, illustrated step-by-step instructions offer a range of techniques and tips for making both round and oval bases, making handles, preparing to weave, and adding color. Projects include a simple plant basket, a bread basket with beads, a lidded sewing basket, and a large double-handled shopping basket. A glossary of basketry terms, a listing of suppliers, and instructions for designing your own basket is included. This book is great for weavers and crafters of all skill.
