

# A S.E.A.L. To Heal Your Marriage: A Decorated Navy SEALs Operational Guide to Heal Your Relationship

WIVES: Give this book to your husband if you're considering leaving him? or already did. Your marriage is spinning out of control ... you don't know why your partner is mad, why you're unhappy, or how to get back to that person they first fell in love with. How do you stop the damage and implement the healing steps necessary to recover your intimate relationship? In *A S.E.A.L. to Heal Your Marriage*, decorated Navy SEAL Darek Laviolette addresses what you alone can do to heal your marriage, regardless of how broken it is. Darek's heartfelt apology of the highest proportions to his ex-wife and children will expose the valuable information that will help you: Clearly identify and understand the hidden reasons you fight with the person you intend to love, honor, and cherish? Understand what both you and your spouse want in order to feel cared about? Create a plan to turn your marriage around? one your spouse does not need to be aware of or even participate in. Close the wound? take action to heal your marriage.
