

Dark Origins: Herr Graden: Book 1: A Short Story

Everyone starts somewhere... even villains. Witness the birth of Herr Graden through the eyes of Hans Strauss in this dark psychological thriller that is not for the faint of heart. Hans Strauss is a normal boy growing up in the suburbs of Munich when he is stricken with a chronic disease, and soon after loses his mother in a horrible motor vehicle accident. His father, grief stricken, and delirious with rage blames Hans and pushes him to his limits and beyond *** Note: This book is an origin story with strong ties to the Mars Journey series, though its great as a standalone story.
