

The Allagash Guide: What You Need to Know to Canoe this Famous Maine Waterway

Anyone thinking about taking an Allagash canoe trip needs this guide. With information about what to take, how much time is needed, where to start, what to do with a vehicle, campsites and much, much more, the reader will start their first trip with information that would take years to accumulate on their own. The equipment and food lists in the book are extensive. They evolved over many years and will cover a variety of tripping situations. This book, along with author Gil Gilpatrick's book *The Allagash Journey*, will make the reader an Allagash expert the first time out.
