

Demelza: A Novel of Cornwall 1788-1790 (Poldark Book 2)

Demelza Carne, the impoverished miners daughter Ross Poldark rescued from a fairground rabble, is now his wife. But the events of these turbulent years test their marriage and their love. Demelza's efforts to adapt to the ways of the gentry - and her husband - bring her confusion and heartache, despite her joy in the birth of their first child. Ross begins a bitter struggle for the rights of the mining communities - and sows the seed of an enduring enmity with powerful George Warleggan. From the incomparable Winston Graham ... who has everything that anyone else has, then a whole lot more Guardian
