

Devil and the Deep: Deep Six, Book 2

Maddy Powers life revolves around cocktail parties, political fund-raisers, and charity events - but she cant forget the daring former SEAL who appropriated her fathers yacht a few months ago...or the scorching kiss they shared before he disappeared into the deep blue sea. Bran Pallidino carries a dark secret behind his lady-killer eyes - one that keeps him from pursuing a serious relationship with Maddy. But when shes taken hostage during a trip to the Dry Tortugas, the men of Deep Six Salvage drop their treasure hunt for a sunken galleon and embark on a dangerous mission to save Maddy. As they fight her merciless kidnappers, they discover this isnt a simple hostage situation but something far more sinister. Passion boils between Bran and Maddy, but what good is putting their hearts on the line if they dont survive the dawn? Contains mature themes.
