Tears in a Bottle

Becky Taylor, a young woman burdened by great expectations, is lying on a cold recovery table in an abortion clinic when she hears a mans voice, then gunshots. She holds her breath and lies perfectly still behind the curtain. When the gunman is finished, Becky is the only one left alive in the clinic. This act brings together two strangers who both seek answers to lifes most wrenching questions, mainly: Are Gods love and mercy big enough for every sin? The answer transforms multiple lives.
