

Diving Southeast Asia: A Guide To Asias Tropical Seas (Footprint - Activity Guides)

The newest addition to Footprints burgeoning series of activity guides, Diving South East Asia introduces divers to the worlds most diverse marine environment. This truly comparative guide includes over 400 popular sites, all of which have been dived, reviewed and photographed by experienced husband-and-wife team, Beth and Shaun Tierney. From the pristine, isolated reefs of Indonesias Spice Islands to the lively marine and land environments in The Philippines Puerto Galera, theres something for everyone. The guide also features personal opinions and anecdotes from both experts and other divers, as well as recommendations of what to do and see on dry land.
