

Pokemon Adventures, Adventure 3: Saffron City Siege:

In this third entry in the Pokemon Adventures series, Red, Blue, and Green must rescue Professor Oak from Team Rocket in a deserted Saffron City. Then Red tracks down Giovanni, the leader of Team Rocket, in order to do battle. Next, Blaine, a scientist who defected from Team Rocket, creates a monster: Mewtwo, the most powerful psychic Pokemon ever. And now Red must defeat it alone! Don't count on the happy ending of Pokemon: The First Movie. This time Team Rocket means business. These stories follow the adventures of trainers Red and Blue and new characters as they explore forests, jungles, cities, and caves in search of Pokemon and try to outwit Team Rocket, a mysterious group of villains who want to use Pokemon for evil.
