

## Earth 2 Vol. 1: The Gathering (The New 52) (Earth 2 Series)

Earth's greatest heroes have defeated grave threats from Apokolips, but not at a grave price. Left in their stead is a group of young, untrained heroes who pick up the pieces in the dusty aftermath. The Flash, Green Lantern, Hawkgirl and the Atom are humanity's nascent guardians, but not the ones we've all known and revered. These are different heroes, in a strange and foreign world with dangerous new villains. This is Earth 2. Award-winning writer James Robinson (STARMAN, JUSTICE LEAGUE) joins forces with artist Nicola Scott (SUPERMAN, TEEN TITANS) to reimagine the classic Justice Society of America for DC COMICS--THE NEW 52 universe--and sometimes in controversial, unconventional fashion. Don't miss one of the most talked about graphic novels in recent memory!
