

By the Sword: A Repairman Jack Novel (Adversary Cycle/Repairman Jack Book 12)

By the Sword takes up the adventures of Repairman Jack directly after Bloodline. Jack is hired to find a legendary Japanese sword, a katana stolen from the Hiroshima Peace Museum and brought to New York City. Central characters include the members of a weird Japanese cult, a young Japanese businessman and his three Yakuza bodyguards, plus Hank Thompson, the Kicker cult leader from Bloodline. The cult, the businessman, the Yakuza, and the Kickers are looking for the sword as well. Also in the mix is the pregnant teenager carrying a child, loaded with abnormal DNA, who will be a decisive force in the cosmic shadow war raging behind the scenes. She becomes a pawn in the game, hunted by both sides. Following his usual m.o., Jack maneuvers all sides into a bloody melee from which he plans to waltz away with the fabled katana. Of course, when things don't go as planned, Jack must improvise (and he hates to improvise). By the Sword takes F. Paul Wilson's trademark breakneck pacing and interweaving storylines to a new level.

Adversary Cycle / Repairman Jack combined - Horror World Editorial Reviews. From Publishers Weekly.
