The final tale of the last Fear Agent! Heath Huston is the only remaining human in a universe that has been totally amalgamated by Tetaldian robotic conquerors. As the Tetaldians continue to hunt him, Heath uncovers the history of the robot hordes and their secret coconspirators. The odds are stacked higher than ever, his body is aged and broken. Presented with one final opportunity for redemption, can the last Fear Agent move past his role in it all and give the bastards a little back? \* From the creators of Uncanny XForce, Venom, and FrankenCastle! Rick Remender is too damn creative. There ought to be a law. -James Robinson (Starman, Justice League of America)
