

Finding Casey: A Novel

Glory Vigil, newly married and unexpectedly pregnant at forty-one, is nesting in the home she and her husband Joseph have just moved to in Santa Fe, a house that-unknown to them-is rumored to have a resident ghost.Their adopted daughter Juniper is home from college for Thanksgiving and in love for the very first time, quickly learning how a relationship changes everything.But Juniper has a tiny arrow lodged in her heart, a leftover shard from the day eight years earlier when her sister Casey disappeared-in a time before shed ever met Glory and Joseph.When a fieldwork course takes Juniper to a pueblo only a few hours away, she finds herself right back in the past she thought shed finally buried.A love story, a family story, a story of searching and the bond between sisters, Finding Casey is a testament to human resilience.
