

# Cracking the TOEIC with Audio CD (Professional Test Preparation)

The Princeton Review realizes that acing the TOEIC is very different from getting straight As in school. We don't try to teach you everything there is to know about English; only what you'll need to score higher on the exam. There's a big difference. In *Cracking the TOEIC*, we'll teach you how to think like the test writers and eliminate answer choices that look right but are planted to fool you. Ace the Reading and Listening Comprehension sections of the exam. Raise your score by making the most of your time and knowing what to expect. This book includes 2 full-length practice TOEIC exams, plus two audio CDs with listening exercises and a full transcript. The questions and exercises are like the ones you'll see on the actual TOEIC.
