

# Master the Miller Analogies Test 2006 (Arco Master the Miller Analogies Test)

Widely used by graduate programs and law schools, the 60-minute, 120-question exam measures critical-thinking ability and knowledge of a broad range of subjects--literature, the arts, math, and science. Exclusive analogy strategies help students better understand the relationship between words and excel on this short, yet difficult exam. This effective guide features 7 full-length practice exams and more than 1,000 additional practice questions, and a bonus CD with additional practice tests.
