

## Frommers Costa Rica 2011 (Frommers Color Complete)

Completely updated every year, Frommers Costa Rica features gorgeous color photos of the lush rainforest, the amazing array of wildlife, and the spectacular beaches that await you. Personally researched by a longtime resident, it's the only truly up-to-date guide that gives you such in-depth coverage of this fast-changing country, with recommended accommodations in every price category.

You'll visit rugged wilderness preserves and sleepy beach towns, spectacular orchid gardens and mineral hot springs at the foot of a steaming volcano. There are adventures here to suit all ages and abilities: swooping from treetop platform to treetop platform on a canopy tour, taking a dip in a jungle swimming hole, spotting playful spider monkeys as you hike through lush foliage, windsurfing on Lake Arenal, or watching endangered sea turtles nest on the beach. With Frommers in hand, you'll experience the wonder of Costa Rica's amazing biodiversity, as we point out the best places to see hundreds of unique, colorful species of animals and plants. You'll even get a color fold-out map!
