

Single Parenting Road Map: Successful Navigation Through Single Parenthood

Single parenting can be an overwhelming experience that most couples don't plan for. In many cases, the road through single parenting can be a bumpy one, with lots of unexpected turns along the way. In the *Single Parenting Road Map: Successful Navigation Through Single Parenthood*, you will discover important methods that guide you through the uncharted territory. This book not only focuses on you, the single parent, but your children as well. Keep in mind, you are not the only one on this journey; your children are along for the ride too. There are many challenges that go along with single parenting, never mind the negative emotions that add to those challenges; guilt and self-doubt being two of the biggest culprits. This can wear you down, and lower your self-confidence as a parent. But there's some good news here, you are not alone! There are millions of parents, just like you, looking for answers and guidance. Linda B. Kelly, shares the most important aspects of being a successful single parent. It's no question that raising a child is one of the hardest things you will ever do in life, so using some guidance and experienced advice on how to raise respectful, resilient children, is just as important. This encouraging book will blaze a trail of successful ways to approach and deal with all kinds of situations that arise throughout your single parenting journey. Many important topics are discussed, such as: - Divorce how it affects you and your children - Breaking the news and dealing with the aftermath - Positive parenting - Your extreme importance of civil communication - Bouncing back shaping resilient children - Finding your inner strength - The nitty-gritty of new relationship stimulating matters. Linda B. Kelly uses both knowledge and experience to convey the meaning and importance of successfully navigating through all avenues of single parenting. This inspiring guide provides the

confidence you need to smother those negative emotions and allows you to keep your eyes on the road; focusing on what's important, the happiness and fulfillment of both you and your child.
