

## How To Draw Manga Special: Colored Original Drawings

The media used for colour genga (original drawings) are felt markers. Copic sketch markers are particularly popular, because they allow the artist to use a wide variety of styles and can be used with an airbrush. This publication presents in great detail copic sketch techniques, giving consideration to suitability with paper and even includes techniques of combining markers with pastels and other media. It is an unparalleled, innovative manual, proving excellent reference for the beginner and the professional alike.
