

How to Find the Best in Vintage Fashion

FIFTH EDITION WITH PHOTOGRAPHS, STEP - BY - STEP SHOPPING GUIDELINES, TROUBLESHOOTING, LISTS & DESCRIPTIONS OF HUNDREDS OF WELL-SELECTED PLACES TO FIND VINTAGE FASHION IN THE U.S., CANADA, GREAT BRITAIN, EUROPE, AUSTRALIA & ON-LINE. HELPS YOU TO HAVE LOTS OF FUN & AVOID COMMON MISTAKES WHILE FINDING TRUE VINTAGE FASHION ITEMS AT GREAT PRICES! GOES BEYOND THE INTERNET WITH EXTRA DETAILS IN ONE BOOK. Ive had great success vintage-hunting since the late 1970s in a fun way. Would you like to be able to find, own and wear real vintage clothing but dont know how or where to find the things that youll love and will work for you? Is it a mystery where to find attractive, quality vintage items without spending a fortune? Do you have concerns about caring for clothing that doesnt have a care label inside and may be made of a fabric that is unfamiliar to you? For all lovers of fashion, mystery, kitsch, history and the treasure hunt this e-book is your concise guide to searching out, finding, caring for and wearing unique vintage clothing and accessories. The adventure begins with this road map because you must explore, using these tips, suggestions and your intuition - never knowing exactly where the twists and turns may lead you or what you may discover. There are no hard and fast rules, which increases the chance of pleasant surprises. Understanding the tricks & secrets and knowing where to go will really help you to maximize the frequency of great finds at the best prices.

This book is designed to provide all the basic information needed for anyone to begin vintage - hunting from scratch, in an easy - to - read format small enough to go with you on all your travels on your

Kindle, Smartphone, computer or Tablet. If you are somewhat inexperienced with regard to vintage - hunting, want to start small or dont want to be limited to on - line shopping, the information in this book can help you to find some of the most interesting and best-priced items and take some of the mystery out of how to care for them. It is a great source of information for the beginner and also offers new ideas to people who are already playing this fashion game. Tips and suggestions lead you through the steps toward discovering great stuff and take away the intimidation-factor. You will read about knowledge and personal experience gathered from many years of collecting and wearing vintage fashion and how to avoid the mistakes that almost every enthusiast makes. Pictures and examples help you to put the ideas into practice. Shop at home or all over the world, in stores of all descriptions or on-line with confidence. Information is geared mostly toward people who live in North America and Western Europe but can be adapted to anywhere in the world if you have some familiarity with the culture. The guidelines are useful to both men and women, no matter what you are looking for or the size of your budget. In a manner that is to - the - point and portable, this e-book is great to have with you when traveling. It contains lots of tips about how to get started, where and how to look, pitfalls to avoid and the things youre likely to find. Developing an understanding of True Vintage and the places where it is sold makes the difference between being a naive shopper or being a budding expert. Most of all, this is a book about having fun and expressing your own unique style. Check out Morgana Martin or How to Find the Best in Vintage Fashion on Google and Facebook to see photos of some things Ive found and comments about them. Despite all the cute vintage copycat styles in the marketplace now, theres NOTHING like the REAL THING. HAPPY HUNTING!
