

Please Dont Tell My Parents Im a Supervillain

Penelope Akk wants to be a superhero. Shes got superhero parents. Shes got the ultimate mad science power, filling her life with crazy gadgets that even she doesnt understand. She has two super-powered best friends. In middle school, the line between good and evil looks clear. In real life, nothing is that clear. All it takes is one heros sidekick picking a fight, and Penny and her friends are labeled supervillains. In the process, Penny learns a hard lesson about villainy: shes good at it.

Criminal masterminds, heroes in power armor, bottles of dragon blood, alien war drones, shape-shifters, and ghosts-no matter what the super-powered world throws at her, Penny and her friends come out on top. They have to. If she can keep winning, maybe she can clear her name before her mom and dad find out.
