

Made in the U.S.A.: The 10th Anniversary Edition

Meet Will and Jeannie, two people who look like long-dead American pop-culture icons, two people on the run for their lives. They are property of the secretive agency known as the Compound, and the Compound wants them back at any cost. Take a wild ride through a dark history of American conspiracies and the 20th century will never look the same again. A covert government agency & Third Reich science, cloning & cryogenics, the Second Coming & the Millennium, all coming together in a collision of passions and perversions, past and present. Of course, a story as unique as this could only be Made in the U.S.A.
