

## The Writings of Life, Love and Death

A collection of a 100+ poems written by James Smith. Starting from his first poem, The Dark Tunnels. You can see changes from the writings from time to time. Contains poems about love, life and ultimately death. Poems for all types of fans. Some will like it, others will hate it. This is the full collection. If you like just love poems, James will be self publishing another book with just love. If you like dark, bloody poems, there will be his next self published book of poems called, Death by Love.
