

Wildwood Boys: A Novel

From the raw clay of historical fact, James Carlos Blake has sculpted a powerful novel of both a man and an America at war with themselves. Here is the brutally honest story of free-spirit William Anderson, who is pulled into a savage conflict of state against state in the years leading up to the Civil War. When Bill suffers a catastrophic loss, a fury is unleashed in his anguished soul. He becomes the most fearsome guerrilla captain and earns a name that becomes whispered with reverence and terror: Bloody Bill.
