

Kevin Smiths Green Hornet #8 (Green Hornet: Legacy)

The new Green Hornet faces his greatest challenge as the deadly Black Hornet engages him in a high-octane duel to the death on the streets of Century City. As The Black Hornet strikes at the very heart of the Hornets Nest, even the aid of the Kato family may not be enough to keep the legacy of The Green Hornet intact, or Britt Reid alive. Only on the verge of their own destruction do Green Hornet and Kato realize that Century City itself faces an equally disastrous fate.
