

LArche

Lorsque la brillante archeologue Dilara Kenner obtient des informations cruciales sur la disparition de son père, elle abandonne ses fouilles au Pérou et revient précipitamment aux États-Unis. Ces révélations concernent la légendaire arche de Noé - que son père a passé sa vie entière à chercher. Dilara n'a qu'un espoir : Tyler Locke, un homme qu'elle n'a jamais vu et qui est le seul à pouvoir l'aider. Ingénieur de combat de l'armée, Tyler accepte d'assister Dilara dans son périple, de Los Angeles à Terre-Neuve, tandis que les accidents mortels se multiplient autour d'eux. Alors que les pièces du puzzle se mettent en place, ils découvrent qu'ils n'ont que sept jours pour retrouver l'arche avant que son secret ne soit utilisé pour détruire une nouvelle fois toute civilisation... >> Ce livre audio en version intégrale vous est proposé en exclusivité par Audible et est uniquement disponible en téléchargement.
