

The LSAT doesn't come with explanations. Even when you know the answer it's hard to figure out why you were wrong. Sometimes you still aren't sure about questions you got right. This book gives you the explanations that should have come with LSAT PrepTest 76, the October 2015 LSAT. Graeme Blake, an expert LSAT tutor, walks you through every question and every answer choice. You'll learn the best way to approach hard questions. This book helps you read the minds of the test-writers, and see why each answer is right or wrong. You'll also find step by step diagrams for every Logic Game, and you'll see the conclusion and reasoning of every argument in the Logical Reasoning Section. Authors Note: You'll need your own copy of LSAT Preptest 76 to use these explanations. I could have included the LSAT Questions, but you would have paid \$12 more to make up the difference in print + licensing costs. I wanted to make these explanations as affordable as possible. Enjoy! - Graeme
