

Mindfield #5 (Mindfield Vol. 1)

The war on terror has just begun! The CIA has created an elite team of telepathic agents dedicated to fighting domestic terrorism. But as Connor and the rest of his crew take to the streets, can they handle the dark thoughts buried inside the minds of we the people? Aspens newest hit series, MINDFIELD, comes to you courtesy of creator J.T. Krul and new comer Alex Konat, who present to you a world of action and intrigue the likes of which youve never seen! The thrilling saga continues as Connor and the rest of the team are still reeling from their startling encounter with the rogue telepaths, Malcolm and Ian. Who are they? Where did they come from? But the time for answers might have to wait because Lucien has the codes necessary to rain nuclear fire on the United States...and the clock is ticking! Plus, dont miss out on the next exciting 4 page Project Cobalt character story, featured in the back of every issue! Thats 26 total pages of MINDFIELD action, brought to you each and every month!
