

On the Edge

Rose and Antonia were WAAF plotters during World War II, enjoying independence, a fulfilling and challenging job, and all the fun of being two women on an RAF base. But peacetime is a disappointment. Rose's war-hero husband has become violent, and Antonia, bored with her rich manufacturer husband, wants to move to America with her lover. A chance encounter in the street leads to a ruthless scheme, and if Rose doesn't lose her nerve, they could get away with murder. From the Trade Paperback edition.
