

Keeping Secrets & Telling Lies (An Unexpected Love Novel)

A very entertaining and intriguing story. --Mary Monroe, New York Times bestselling author

Some secrets set you free. Some destroy your world. After six years of marriage, Victoria and Ted are the ultimate power couple. She's a beautiful, business savvy sister who owns one of Atlanta's hottest event planning companies. He's a blue-eyed CEO who knows how to take care of business in and out of the boardroom. But their happy life quickly unravels when long held desires and decades-old secrets come back to haunt them. It starts when Parker Brightwood re-enters Victoria's life. She thought she'd gotten over the handsome surgeon who once stole her heart, but unusual circumstances bring the ebony prince back on the scene--and now he's determined to win her at any cost. Ted's undoing begins with his mother's sudden death and a shocking revelation that threatens the life and marriage he treasures. Facing a road filled with uncertainty, can Victoria and Ted repair the damage done by secrets and lies before it's too late? Hickman hits all the high notes in this charming modern romance where love and loyalty trump race. Publishers Weekly (starred review) on Unexpected Interruptions
