

Reflections of A Twisted Soul

After waking in a hospital with no memory of who she is, Gypsy is compelled to try and figure out who she is and what has happened to her. With the help of her friends she starts to piece together her past. The closer she gets to finding out the truth, the more odd and illogical things happen. Her gripping story will keep you guessing until the end. Always wanting more.

After months of waiting, Dr. Shane Caffrey finally has his hands on Gypsy Reeds journals. With every page read, he seems to become more and more obsessed with Gypsy Reed. He is compelled to find out the reason why she did it.
