

From Here to Here On a Straight Road (The Amazing Adventures Of Tutilfor and Juso Book 1)

Meet Tutilfor and his best all time buddy and true friend Juso. Two young adventurers who never seem to quite make it to the adventure they set out to have. From the Gwiwig with no steering, the big handed Sand Dandies, a Shaggly Mane with shoes stuck in its hair and a giant bird that teaches ants to fly and changes color every time it burps, these two may not make it home in time for there favorite lunch. Gizzly soup, two bowls each will be just fine.
