

# Robota

Academy award winning artist Doug Chiang and best-selling sci-fi author Orson Scott Card join forces for an extraordinary publishing adventure: *Robota*. An original illustrated science fiction novel, *Robota* follows the fortunes of a strangely powerful amnesiac named Caps as he navigates an ancient, decaying world in which a dwindling human population battles a society of merciless robot warriors. Aided by talking animals and stalked by terrifying hunter robots, Caps slowly rises to fulfill an awesome destiny. Integrating word and image, Cards masterful storytelling is interwoven with 75 pieces of Chiangs wildly imagined, meticulously rendered art. Packaged in a dramatic metallic case, this unusual and powerful collaboration is tailor-made to thrill.
