

Despite the rise of western mega-resorts, skiing in greater New England hasn't lost its appeal among the thousands of skiers who live on the eastern seaboard and make weekend treks up north throughout the long ski season. The draw is quintessential New England skiing and ambiance: the challenge of narrow trails, the variability of natural snow mixed with the reliability of machine-made snow, wooded slopes, and the clapboard architecture of the old world combined with new resort conveniences. This guide offers photographs, maps, and fact-filled descriptions of the mountains and trails from the experts at SKI Magazine as well as insider scoops on secret spots, the best hotels, and the finest restaurants available at each skiing mecca. 87 ski resorts are covered, including Killington, Sugarloaf, and Stowe.

The Diamond Lane, The Kids Book About Single-Parent Families: Kids for Everyone, Istria: Croatian Peninsula, Rijeka, Slovenian Adriatic, The Princess Bride, The Belgariad, Vol. 1 (Books 1-3): Pawn of Prophecy, Queen of Sorcery, Magicians Gambit, Gulliver's Travels, Wolverine vs. Deadpool, Finding Casey: A Novel, Diving and Snorkeling Guide to Bali and the Komodo Region (Pisces Diving & Snorkeling Guides), The Wedding Was Great, But When Does Chuck Leave?
