

Star Trek Classics, Vol. 4: Beginnings

Set during the earliest voyages of The Next Generation series, join Picard, Riker, Data, Worf, Troi, Yar, and Laforge as they learn about each other and encounter: A de-powered Q who seeks refuge aboard the Enterprise as he attempts to learn what it means to be mortal; A world where warriors see battle as a child's game; A world with dark secrets that threaten both the ship and crew, and more.
