

Star Wars - Knights of the Old Republic #20 : Daze of Hate Part Two (Dark Horse Comics)

A defining moment in the history of the galaxy arrives as the Republic and the Mandalorians meet face-to-face to discuss an offer that adds up to one thing-victory for one, defeat for the other! Sinister billionaire Lord Adasca is the organizer of this fateful rendezvous, a mastermind with grand plans for his race, the Arkanians, and his corporation, Adascorp. What Adasca hasn't counted on is the feisty Jarael, her elderly companion Camper, or their fugitive Padawan friend Zayne Carrick trying to stop these megalomaniacal machinations despite impossible odds. Of course, as soon as the three figure out how to escape Adasca's custody without getting blasted by a dozen HK-24 assassin droids, that's exactly what they're gonna do!
