

Swept Up

When life breaks you, love can heal your run you over. A broken heart and a preference for solitude leads Web Baker to driving a street sweeper on the night shift for Basil City. His mother wants grandchildren, and his sister is intent on fixing him up with every dimwitted beauty she can find. Add that to the late night antics Web encounters on his nightly shifts and he has more than enough excitement to keep him on his toes, but nothing could prepare him for the woman who stumbles into his sweepers headlights. Kara Deleray has never learned how to be herself, leading to a lifetime of bad decisions. She hits rock bottom and ends up moving in with her best friend and her husband. With their help, she manages to land a job teaching English at Basil State University. Finally pulling her life together, a whiskey soaked night almost tears everything shes worked for apart.
