

Caricatures: Everything You Need to Know to Get Started (Collins Learn to Draw)

Drawing is an essential skill for all artists and this book makes learning to draw caricatures as simple as possible. All the basics are covered, to provide a sound foundation in techniques, and numerous entertaining caricatures and step-by-step drawings show how these are put into practice. The book includes practical information on: tools and equipment; basic shapes and proportions; facial features and expressions; portraying personality; using photographs; working up sketches; and symbols and props.
