

The Dinosaur Club: A Novel

Jack Fallons life is being downsized. His wife of twenty-four years is dumping him, and the only company hes ever worked for is about to do the same....The head honchos at Waters Cable have implemented a workforce imbalance correction, which includes canning Jack and his coworkers, all of whom are middle-aged executives in the 50/50 class -- at least fifty years old and making \$50,000 or more. Refusing to become fossils, Fallon and his cohorts dub themselves The Dinosaur Club, and prepare to strike like ferocious T-rexes. Using clandestine maneuvers, corporate intrigue, good old-fashioned office politics, and a secret weapon -- Samantha Moore, a beautiful young attorney -- The Dinosaur Club vows to reverse evolution and drive the companys greedy Young Turks into extinction. Award-winning author William Heffernan puts a scathing spin on corporate America in a novel that is both hilarious and compellingly on the money.
