

Dopeman: Memoirs of a Snitch (Part 3 of Dopemans Trilogy) (The Dopefiend Trilogy)

Dopeman: Memoirs of a Snitch is a complex tale about the life and times of one the biggest drug traffickers the Midwest has ever seen. The FBI has launched an intricate plot to take down one of the most prolific drug organizations in the summer of 2009, and Seven Smith is their main target. Seven establishes a relationship with an up and coming hustler and takes him under his wing. Unbeknownst to Seven, his protege works for the authorities. The young hustler falls in love with a woman who is off-limits, and he has to make a difficult decision that puts many peoples lives at risk. Lola Banks is the daughter of a well-known hit man and street legend in Ohio. When she lays her eyes on the out-of-towner/snitch, it becomes a forbidden love. She is caught in a web of lies and deceit, only to get the hurtful truth on the last page. This is a hustlers love story at its absolute finest. The conclusion to this story is so unpredictable and intelligent that no one will see it coming--no one.
